Dear Sir or Madam,

A120 Crown Interchange to Hare Green – road marking renewal

I am writing to inform you that we will be renewing the road markings and reflective studs on the eastbound carriageway of the A120 between the Crown Interchange and Hare Green to improve visibility and road user safety, on behalf of Highways England. This scheme forms part of a wider package of essential maintenance and improvement works on the A12 and A120 in Essex.

We plan to start this work on **13 August** and expect to be completed by **8 September**, with work taking place on **weeknights between 9pm and 5am**.

To carry out this work safely, we will fully close the A120 eastbound carriageway from the Crown Interchange at Colchester to the Horsley Cross Roundabout. At these times, a clearly signed diversion route will be in place along the A1232 and A133. We will also require overnight lane closures. For dates and details of closures, please see the summary of works at the end of this letter.
